We are dedicated to bringing you the best in both amateur and creative photography from the four corners of the UK.

This next meeting is an exciting opportunity to see a well established Creative photographer from the Midlands, taking about the techniques and concepts he uses in his very successful imagery.

We are also providing a great opportunity to see a new 'up and coming' photographer from Yorkshire, with her first presentation, who is making a name for herself with her stunning creative portraiture.

Also, we will be having a '**Bring A Print**' competition, which will be judged by our esteemed speakers, and an award will be given to the author of best print on the day.

The print can be any size and mounted or unmounted.

**Ticket Price £15.00**  
**(£13.00 for DIG Members).**  
**Includes Light Lunch and Tea and Coffee.**
