

## Secretary's report 2019-2020

Mike Beckett took over the Secretary role at the start of the season. Unfortunately due to ill health Mike was unable to carry this out, and so Annette Hockney and John Depares have been taking this on.

L&CPU AGM was attended by Annette Hockney and Jon Allanson on 1<sup>st</sup> March. Some minor changes to the constitution were proposed and the usual updates were given.

The L&CPU Annual Return has been completed and NCPS will be receiving a request for monies in due course.

A number of events of interest received by the Secretary were posted on the Blog.

There have been no other items of note this year.

## Publicity Secretary

Continued use of facebook and twitter for speakers where we want to attract a broad base of visitors.

Our information is posted on the L&CPU website. This has changed so that club events are no longer shown on the front page. The L&CPU Facebook page has also been used to greater effect.

Local publications – SK Poynton, Inside Poynton, PoyntonWeb, Poynton Post when possible, Council noticeboards

Advertising Posters and Flyers

I keep a list of club contacts and non-members who have given us their email addresses and send out details of our events.

Main event this year was Paul Goldstein, and we used the Exodus mailing list to advertise the event as well the usual routes

Recruitment poster used at Poynton Show and at our exhibition and the Big night

L&CPU recruitment advert

Thank you to Jackie Robinson for continued support in the design of flyers, and to Lisa Mullins for keeping our Facebook page up to date.
