

## **Secretary's Report 2020-2021**

Mike Beckett remains in poor health, so, in January, John Depares took over the role of Secretary. Jerry Niman was acting secretary for the Committee meeting on the 4<sup>th</sup> March as John was unavailable.

It was agreed that Committee meetings would include on the Agenda, a new item - "Secretary's correspondence"

On the 28<sup>th</sup> February, Annette Hockney, Jon Allanson and John Depares attended, via Zoom, the L&CPU AGM.

Our Insurance cover requires committee members to be "fit and proper", for example they can't have been declared bankrupt.

It has been agreed that the Secretary should bring this to the attention of Committee members at the first meeting of each season. Any Committee member who cannot comply must inform the Secretary. All this is to be recorded in the Minutes.
